

Sparking Creativity Summer Camp

Ranked by Northern Virginia Magazine among the Best Summer Camps in Northern Virginia for the past five years, ACE is getting ready for another exciting summer and we hope you will join us!

This summer we are heading to the Creativity Laboratory for fun and learning - where each week we will be exploring several different aspects of creative expression including art, music, engineering, puppetry, acting, and crafting.

Campers will engage in academic enrichment and developmental lessons, critical thinking challenges, water activities, crafts, games, and, much more!

ACE's 7-week, jam-packed Sparking Creativity Camp will run from **Monday, June 20th through Friday, August 5th for students 3 years old to 8th grade**. Campers are welcome to attend any or all weeks. Join us as we experience different creative arts and see why ACE is the place to be for summer fun!
